MEET STEM/Cyber Ambassadors • 6:00 – 7:15 PM

STEM/Cyber Ambassadors

Sofia Schmidt
Mary Szczerban

Join us for an evening of fun, networking, and cybersecurity education in support of the NCR area Girl Scouts, middle-school, high-school, and college students, among others. Youth & Adult Cyber Challenges, an informative and fun panel, STEM/Cyber Ambassadors, mentoring, networking, scholarship information, SANS@Night sessions, and information on joining, participating in, and supporting our STEM and CYBER partners. Support our multi-generational mixer, become an ambassador, champion, and help mentor along our next generation of STEM and CYBER talent. Attendance is **FREE**. All are welcome!

Registration for all adult PROGRAM attendees: <http://tinyurl.com/sans-dc-122017-connect-program>

Registration for youth PROGRAM attendees (please send sponsoring GROUP name): coins@sans.org

Registration for our non-profit partners: marketing table tops, attendee give-away gifts, etc.:

<https://tinyurl.com/sans-dc-122017-connect>

A full calendar listing of **future SANS events** can be found at: <https://www.sans.org/security-training/by-location/north-america>. For any additional questions, please reach to our **SANS Representatives**, Ms. Deanna Boyden and Tabitha Flax at coins@sans.org or our **ISSA Intl WIS SIG Representative**, Ms. Rhonda Farrell, at Rhonda.Farrell@issa.org.
