

Career Discovery

2017 CAREER EXPO

September 14-15, 2017

Region 5 Workforce Council

www.career-discovery.org

A project of the Region 5 Workforce Council, the EAWIN Career Discovery, which will be held annually, is an industry-led initiative that pulls together regional industries and businesses to create a hands-on interactive career discovery experience that links careers to the classroom. Public and private schools eighth grade students (usually 13-14 years old), from throughout Region 5 (Autauga, Bullock, Chambers, Coosa, Dallas, Elmore, Lee, Lowndes, Macon, Montgomery, Perry, Russell, and Tallapoosa counties), will have an opportunity to visit their favorite industry sectors and learn about careers available close to home. Each student will also receive a Region 5 Workforce Council Career Discovery Student Guide, which will include information on sample occupations, educational requirements, average salaries, and information on the event's career clusters. The 2017 event is expected to host over 5,000 students, teachers, counselors, parent chaperones, volunteers, sponsors, partners, and exhibitors.

All Sponsors Enjoy the Following:

- Space provided at event for participation in the Region 5 Workforce Council Career Discovery, including pre-approved banners and signage
