

October is National Breast Cancer Awareness Month!!

Early Detection Is A Woman's Best Protection...

That is why the Mammogram Department of EAMC-Lanier wants to offer the women in our community early detection, diagnosis, treatment and Breast Cancer Screening.

Mammogram Screening

- **Has it been a year or longer since your last mammogram?**
- **Are you 40 years of age or older?**

YES?

Then you may qualify to have a **FREE** mammogram, if you do not have insurance, Medicaid or Medicare.

You must have an appointment!! (space is limited)

Mammograms will be performed at EAMC-Lanier mammogram department.
