

Back to...

Crayons, pencils, binders, pens and paper do you have them? Check, check and double check. It's that time of year again as parents and grandparents prepare to send their children and grandchildren off to school. Off to a new grade, a new teacher, and a whole new year filled with opportunities.

Swimsuit, tent, and suntan lotion will not be needed in a few weeks as summer vacation comes to an end and the majority of us go back to work full-time. Back to the daily grind and back to the routines that we were able to temporarily escape during our summer vacations.

Bibles, Catechism, daily devotions, and evening prayers, don't forget to go back to them as well. During the busy summer months these things sometimes get set aside and forgotten. Yet now is a wonderful time as we go back to school and work to start personal and family devotions. I promise that this time with God will be beneficial for you and your family as you continue to grow in your faith in God and your love for each other.

So as each of us prepares to go back to school or work and the daily routines that come with them, I pray that we each will go back to God's Word and Sacraments weekly. As we go back God promises to give us the strength to go forward daily trusting in Jesus' salvation and grace.

Are all the children in?

Children's Bible time will take place every Sunday morning starting Sept. 13 at 9:30. During this time your child will learn a Bible story, memorize age-appropriate Bible passages, sing songs, and much more. Through these things your child will grow in their understanding of what is right and wrong, learn to see themselves and others as God's creation, and most importantly grow in their love for Jesus as their Savior. Classes are offered for children from birth through High School. We also offer adult so that this education hour can be something for the whole family.
