

26<sup>th</sup> February 2021

The MRV Hub Secretariat is honored to be hosting our 3<sup>rd</sup> Annual MRV Hub Annual Meeting (2021). This important meeting will be held over 2 days, the 23<sup>rd</sup> & 24<sup>th</sup> March 2021, virtually, as a result of the ongoing challenges and imitations due to Covid-19.

Each of our 12 members will be invited to nominate 2 participants while we anticipate a strong showing from the MRV Hub network, including UNFCCC/RCC, WINDREF, 5C's, UNDP, UNEP, CARICOM, OECS, and many others.

We will lead the participants through a series of sessions covering the following themes,

#### **Day1**

Session1: Official Opening Remarks

Session2: Overall Update on MRV Hub Work Crews

Session3: Presentation of Work Crew Progress and Plans

Session4: Update: Regional Collaboration Centre of the UNFCCC, Mitigation & Modeling Center

Session5: Summary, Closing Day1

#### **Day2**

Session6: Country Specific MRV Hub Work

Session7: MRV Hub Country Specific Planning

Session8: MRV Hub Operations: Looking Back, 2021 Work Plan, Sustainable Institutional Vision

Session9: Summary & Final Remarks, Closing Day2

Although we anticipate full participation by member country representatives, registration will not mandate you participate in all sessions throughout each day.

If you are interested in attending, please reach out to the Secretariat via email to

[hayden.redhead@mrvhub.org](mailto:hayden.redhead@mrvhub.org) or [ahyana.bowen@mrvhub.org](mailto:ahyana.bowen@mrvhub.org).

To those of you attending, we look forward to your usual active participation. We will share the output of the meetings in a report in our next MRV Hub Newsletter.

Regards and stay safe!
