

## Pre-Employment Transition Services (Pre-ETS)

Instruction in Self-Advocacy—4 hours & Workplace Readiness Training—8 hours

A program in partnership with Opportunities for Ohioans with Disabilities.

**Who:** Any student who is on an IEP or 504 and between the ages of 14-21 throughout Hamilton, Butler, Clermont and Warren counties. They do NOT need to have an open case with Opportunities for Ohioans with Disabilities (OOD).

**What:** Free, accessible, one-on-one services.

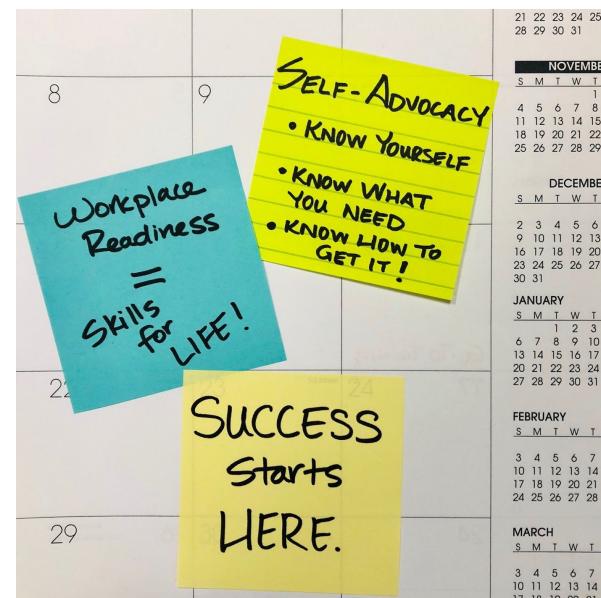

4 one-hour sessions of Self-Advocacy Instruction and/or 8 one-hour sessions of Workplace Readiness Training. It is strongly encouraged for students to complete Self-Advocacy Instruction before moving on to Workplace Readiness Training.

**When:** During the school day or after school

**Where:** At their school or in the community

**Why:** These are introductory, foundational and skill-building services that are intended to help students with disabilities get a jump start on transitioning to adulthood by building their self-confidence, practicing effective communication skills, identifying appropriate career interests, encouraging successful decision-making, setting realistic goals, learning how to take responsibility and more.

**How:** Parents, teachers, etc. can fill out a “Request for Services” form and send in to [OOD.PreEmploymentRequestFax@ood.ohio.gov](mailto:OOD.PreEmploymentRequestFax@ood.ohio.gov) along with proper documentation of disability (IEP/ETR/504). Services can start as soon as a referral is processed. Forms can be found at [www.ood.ohio.gov/Transition-Students/Pre-Employment-Transition-Services](http://www.ood.ohio.gov/Transition-Students/Pre-Employment-Transition-Services).
