

September 17, 2019

Dear Upper School Families,

As our students progress through the first quarter of the year, I would like to solicit your feedback on some questions pertaining to our school's approach to homework here at the outset of the year. We offer a rigorous and rich curriculum, which necessitates our active attention to the way our students work at home.

Your answers will help us to make necessary adjustments and equip our students for a strong start to 2019-20. Please take two minutes to share your anonymous responses to help us develop a sense for what you see at home. Complete one survey for each student you have enrolled in the High School.

[Freshman Survey](#)  
[Sophomore Survey](#)  
[Junior Survey](#)

In the interest of safety during dismissal, please do not split into two lines until you have entered the campus; only one lane (rightmost) on Carbon Road should be used to turn onto campus. We are continuing to fine-tune our traffic situation, and your attention and patience is always appreciated.

In other news, it was wonderful to see so many of our High School students enjoying the company of their peers and teachers at Friday's cookout! We are working hard to cultivate a joyful environment for our students amid the high standards they attain to within our community. Many thanks to all of the parents who helped to make this event a great success.

Sincerely,

Philip Althage  
Headmaster, Upper School  
Great Hearts Irving
