

# GREAT HEARTS IRVING SNOWFLAKE FUND

In lieu of individual holiday gifts to teachers, the Great Hearts Irving PSO invites families to contribute money instead. This money will go directly to the teachers in the form of a holiday cash gift!

This is a great way to recognize the level of commitment these teachers and administrators show to our children.

Please give as you are able. (Suggested donation is a minimum of \$5 per teacher.) Donations can be made by sending cash or check to the front desk clearly marked "Snowflake Fund".
