Dear Lower School Families,

Wow! Saturday presented a beautiful afternoon! Thank you to all who attended the Fall Festival. Thank you to Amanda Nicholls and her team of volunteers who put together this fabulous event and helped to make it a huge success. It is so wonderful to see the smiling faces of our students enjoying camaraderie. The bounce houses, concessions, petting zoo, face painting, virtue painting, pumpkin decorations, soccer shoot out, and spirit bracelets were all a success. Congratulations to all the bakery winners as well.

Quarter one is coming to a close and we see students engaged with literature, engrossed in history stories, observing and discovering through science experiments, using manipulatives to solve math, remembering to raise hands to participate, returning homework, speaking kindly to one another, showing sportsmanship, and so much more.

Conferences are set to take place on October 16. Please sign up to meet with your student's teacher. We look forward to sharing their successes and working together to help with areas of growth.

Sincerely,
