

Dear Lower School Parents,

I am overjoyed with the wonderful learning that is occurring in all the classrooms. The teachers have embraced your scholar's curiosity and are engaging them in conversation and developing life-long learners. Students are reading their Classics to Keep, learning Latin, new Music songs, and forming new friendships. The halls are filled with joy.

While inside the walls we have calm, outside carline has presented challenges. We appreciate the patience you have exhibited. We are diligently trying to create an orderly and efficient carline to safely release almost 800 students. Dismissal begins at 3:15 p.m. and 1:20 p.m. on Fridays. Lining up too early creates more challenges on the streets for businesses and non-school related traffic. We are confident dismissal will continue to improve with everyone following the guidelines. Thank you for working together towards the mutual goal of safety and efficiency.

Thank you for embarking on this journey and walking along this path together.

Sincerely,

Marcy Finn  
Interim Headmaster, Lower School  
Great Hearts Irving
