

A Message from the Director of Academy Giving

As the school year begins, our halls are filled with busy voices anxious to meet teachers, twirling fingers unsure of locker combinations, and the hope that all required school supplies have been purchased. At Great Hearts Irving, so much has changed since last year. The Upper School has that new school smell and is filled with everything new! The Lower School has spent the summer renovating classrooms, updating bathrooms, painting, enhancing the outdoors, and making practical improvements always with our students in mind.

To our families that contribute to **Community Investment**, thank you for providing the funds that allowed Great Hearts Irving to finance these much-needed improvements. We couldn't do it without your support and partnership. As parents that only want the best for our children and as teachers and staff that strive to only provide the best education, we count on each other. Every dollar counts and 100 percent of every contribution is invested in our campuses! You may contact me at keo.strull@greatheartsirving.org to learn more about how to become a partner with Great Hearts Irving!

North Texas Giving Day is another great way to contribute. Mark your calendars for one big day of giving! The event is an opportunity to reach out to family and friends and ask them to be part of the Great Hearts Irving day of giving. More information to come.

Great Hearts Irving Family Highlight:

Thank you to the Rossini family! This past weekend, the Rossini children decided to take action and raise money for the gym. Brownies and rice crispy treats were baked, lemonade was made, and three hours later, nearly \$100 was raised! Rossini family, you are an example for all of us!
