

Folkmoot: An Eighth Grade Event

Hark! The blazing fires of Folkmoot are upon us. Save the date **for Saturday, December 7 at 4:30 p.m.** for our third annual Folkmoot.

Our young heroes will gather in camaraderie to read selections from *Beowulf*, delight in medieval feasting, engage in various feats of strength and wit, and enjoy the simple wonder of flame and s'mores. See the full schedule [here](#).

Warrior-bard-poets are requested to read lines of this epic poem. This signature event is open to all **eighth-grade students**. The event will be held at the Upper School campus of Great Hearts Irving. Attire for the event will be covered in class.

Family contributions are a key part of making this a successful evening! Please click [here](#) to see how you can help. Opportunities include providing food, leading the decorating of the famous Mead Hall, and more.

Please reach out to Mr. Matthew McKowen at Robert.McKowen@GreatHeartsIrving.org with any questions.
