

## Window into Wonder

GHI Upper School families are invited to join your Headmaster for one of many Window into Wonder tours beginning on **September 17**, where we will spend time popping into classes and observing the rich offerings available to your scholars.

These opportunities will be plentiful throughout the year, and in order to accommodate a variety of schedules, we will offer you different windows of time. If one time-frame doesn't work for your schedule, keep an eye on the newsletter for the next sign-up opportunity.

Because we will be visiting classrooms during the tour, we limit the each group to 10 visitors— adults only. Therefore, we recommend that you keep a close eye on the newsletter each week to sign up for a slot quickly.
