

December 18, 2019

Dear Lower School Families,

There are not enough words to express the beauty of our Winter Musical Concert. The students sang in over six languages, sang in rounds, and expressed their joy through the songs. We were regaled by the beauty of our faculty choir as well, showing not only their passion for our academics but also the beauty in their combined voices. Thank you to all the parents, grandparents, and siblings who were able to attend and partake in this joyous occasion.

Time. Time is both a noun and a verb. Time is defined as the existence and events in the past, present, and future; time is measured in hours and minutes. Time is also defined as a plan or schedule when something should happen or be done. We describe time in reference to not having enough time or the passing of time too quickly. As Winter Break approaches, we all wish your families a time to relax, rejuvenate, and find joy. We hope you have an abundance of time to partake in festivities, friendships, and memory making. We will be excited to welcome you back to school January 6, 2020. Now, it is time to wish you Happy Holidays and a Happy New Year!

Sincerely,

Marcy Finn  
Interim Headmaster, Lower School  
Great Hearts Irving
