

Dear Upper School parents,

We have a wonderful group of parent volunteers serving as House Parents and Room Parents for our Upper School Houses and grades 6-11. They are committed to supporting our teachers and families, especially through promoting events and assisting teachers, students, and parents as needs arise. Please feel welcome to contact your House or Room Parent to share event information or other opportunities with your student's House or grade section. Also reach out with any ideas or questions pertaining to keeping our community connected.

The House and Room Parent contact information can be found below. We look forward to forming and building relationships for a thriving GHI community.
