

## Upper School Orchestra

To begin Upper School Orchestra, **15 students** are needed. Did you know it is proven that students who study an instrument score higher on their SAT's? **RBR Classical Youth Orchestra** will be continuing its second year offering a fabulous opportunity for your child to play in a classical string orchestra. Students choose from violin, viola, cello, or string bass.

**Rehearsals** will be at the GHI Upper School building on **Wednesdays from 3:30 p.m. to 5:30 p.m.** Our award-winning conductor, Maestro Hank Chang, brings 30 years of orchestra experience. All students will perform in a formal concert on **June 7** on the concert stage Carpenter Hall! The first rehearsal start date will depend on when the 15-student registration minimum is met.
