Greetings EDA Parents,

I am excited to welcome you and your child to 2026-2027 Extended Day Activities (EDA) at St. Agnes Academy-St. Dominic School! Our EDA program is designed to provide a safe, engaging, and enriching environment for students after regular school hours. We have a variety of activities planned that will foster learning, creativity, and social development.

Program Details:

- Start Date: Wednesday, August 12th for K-8th, Friday, August 14th for ECC students.
- End Date: May 26th, 2027

Location:

Our EDA program will take place in various locations throughout the school to best accommodate our students. The specific locations are as follows:

- Grades 6-8: Library
- Grades K-5: Dining Hall
- ECC Students: ECC Classrooms
- Morning Care:
  - Grades K-8th- M/W/F- SDS Room 103, T/TH- SDS Room 101
  - PK2-JK- ECC

If there are any changes to these locations, we will notify families as soon as possible.

Arrival and Dismissal

Morning Care begins promptly at 7am in SDS room 103 (M/W/F) and room 101 (T/Th). Students will be released to their homerooms by their classroom teachers at the appropriate time. EDA Afternoon Care ends at 5:30pm, and we ask that you pick up your child by this time. We understand occasional delays may occur and allow one late pickup without charge. After this, a fee of $5 per minute will be applied for each subsequent late pickup. For emergencies, we will evaluate situations on a case-by-case basis. If you are running late, please contact the EDA coordinator or the ECC front desk after 3pm.

Snacks

Please pack a healthy snack for your child each day, as the EDA program will not be providing afternoon snacks. If your child has any dietary restrictions or allergies, kindly inform us as soon as possible. Additionally, please remember that St. Agnes Academy-St. Dominic School is a peanut prohibited campus, so peanut-based snacks are not allowed.

Communication

We will send regular updates and important announcements via email from our CampBrain site or directly from my email. Families can opt-in to text messages concerning EDA on CampBrain as well.

GAP Care

GAP Care is available from the dismissal of the Lower School until the dismissal of the Upper School for siblings of Upper School students. You must register online through CampBrain to use this service. GAP Care is located in one of the middle school classrooms.

EDA
EXTENDED DAY ACTIVITIES

Drop-In Care
Please register your child for Drop-In Care on our CampBrain site if you need occasional care this semester. We are happy to offer Drop-In Care at no cost during August to assist families in transitioning to the new school year. Starting September 1st, there will be a fee of $30 per session. This fee helps us maintain a high standard of care and provide enriching activities for all students. To utilize Drop-In Care, please notify us at least 24 hours in advance, if possible, to ensure adequate staffing and materials.

Athletic Care
Athletic Care is provided for individual athletes throughout the sports season. Athletes will come to EDA, prepare, and attend their practice in a timely manner, facilitated by EDA staff. Please note that no students are allowed back to EDA after 5:00 PM from sports practices. If students need continued EDA care after their sports season, please contact Liz Anglin.

Rules
Extended Day Activities (EDA) serve as a continuation of the school day, maintaining the same structure, rules, and expectations to provide a consistent environment for students. School policies on behavior, phone usage, and dress code apply equally during EDA. These policies ensure a safe, respectful, and productive environment. Please review these rules with your child. For questions or a reminder of the policies, feel free to reach out to us.

Contact Information
