

## Early Childhood Lunch and Learn Series

January 25, 2023

SAA-SDS McGowan Library in the Veritas Building

Join us January 25th as we launch our ECC Lunch & Learn series offering guidance and answering some of your toughest toddler parenting questions. It doesn't matter if you are a first-time parent or a seasoned parent with four kids - every child is different, and every day is different. At St. Agnes and St. Dominic we have some amazing resources right here in our very own Early Childhood Program to offer support.

**Lunch is provided.** Click below to reserve your spot. Email Jenny Howell, [jhowell@saa-sds.org](mailto:jhowell@saa-sds.org), for more information.
