COMMUNITY *of* SCHOOLS

January 23, 2023

What an exciting time it is to be part of the St. Agnes and St. Dominic school community! As our students soar into the second semester, we are preparing to break ground on our new Math and Science Center later this month, which will propel our programs to exceptional heights. Looking ahead to next year, we are blessed with a strong enrollment and waiting lists in many grades. The future is bright for our Stars and Suns!

We are one week into re-enrollment for the 2023-2024 school year and we wanted to share a few reminders with you.

- **Re-enrollment opened on January 17 and runs through February 1.**
- The re-enrollment process is completely online.
- Parents/Guardians have received an email on January 17 with detailed instructions to access the re-enrollment contract. The email came from [Admissions@saa-sds.org](mailto:Admissions@saa-sds.org).
- A contract will need to be completed for each student.
- No deposit is required.
- **Please note the deadline to re-enroll is February 1. After this date any available spaces will be offered to new students, and your child's spot may not be guaranteed.**

Thank you so much for choosing St. Agnes Academy and St. Dominic School for your child's education. We truly value the opportunity to continue our partnership with you. If you have any questions about the re-enrollment process, please contact one of the Admissions Counselors listed below:
