## Barcelona, Provence and Paris

Over the centuries, Barcelona and Paris have been at the heart of transformative moments in history. Their rich past is reflected in iconic landmarks, from Gaudí's architectural masterpieces to the majestic Arc de Triomphe.

Wander through Barcelona, where world-renowned art and architecture captivate at every turn. Immerse yourself in Spanish culture through hands-on experiences that bring its traditions to life. Then, take in the breathtaking sights of Paris, explore the grandeur of Versailles, and step back in time among the ancient Roman ruins of Provence.

From Barcelona to Provence to Paris, each destination reveals a unique layer of Europe's diverse heritage. Venture beyond the familiar to gain a deeper understanding of its culture, history, and cuisine.
