What's New in Dining for the 2026–27 School Year

We're excited to introduce an enhanced dining experience this year through our partnership with **SAGE Dining Services®**. This year brings updates designed to make dining more convenient, accessible, and enjoyable for our school community.

- **Dining Hall Meals Are Now Included**

Beginning this year, the dining hall will operate as a community-inclusive meal program for students in grades 1-12. Students may enjoy everything offered in the dining hall—including entrées, sides, salad bar selections, fruit, desserts, and beverages—without making a purchase at checkout.

- **The Cyber Café Remains Retail**

The Cyber Café will continue to operate as a retail location from 7:00–11:00 a.m for students in grades 7-12. Students who wish to purchase food or beverages will still need a funded LunchTab account. *Information on creating or updating LunchTab accounts will be shared with families prior to the start of school.*

- **Early Childhood and Kindergarten Meal Ordering**

Meals for the Early Childhood Center (PK2-JK) and Kindergarten will continue to follow a preorder process. Orders for the upcoming week must be submitted by midnight each Saturday. *Additional information and ordering instructions will be provided before the school year begins.*

- **Meeting the SAGE Team**

Families will have the opportunity to meet members of the SAGE team during back-to-school events in August.

- **Getting the *Touch of Sage* app**

This will allow you to view menus, filter for allergens, and rate menu items. Scan the QR code below and use postal code 38117.
