

# WE WILL GO

## HIS WILL BE DONE

“For the earth will be filled with the knowledge of the glory of the Lord  
as the waters cover the sea.” Habakkuk 2:14 NIV

In the beginning of 2025, the Lord called Will Go to be a “bridge” for him! Now as we reflecting on what He has done in 2025, we can only stand in awe of the acts of love and grace.

During the missions trips in March & July to Cuba, the Lord mobilized us to connect different Churches in Holguin, Las Tunas and Baracoa with various ministries in the US to prepare the way for the upcoming revival in Cuba.

Across the 4 regions in greater Monrovia, the program ran by our teachers from WillGo School of Ministries Liberia (WGSOML) linked students from over 30 churches. The new multi-purpose building in Shawtown brought church, elementary school & community together in one umbrella.

Ezekiel, son of Pastor Ogbaje in Nigeria, brought the gospel to over 200 students in University of Benin UOB where he graduated.

At our homeless outreach in Downtown Eastside Vancouver Canada, we bridged those seeking Hope to find the ultimate source, the Lord Jesus.

Thank you for choosing to partner with us to bring the gospel and the love of God across all these nations. In the mist of darkness, let’s arise and shine, for our light has come, and the glory of the Lord rises upon us!

# NEW THINGS

“See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.” Isaiah 43:19 NIV

**CUBA** In our prayers, the Lord led us to go South this year to the Santiago de Cuba province, an area which was most impacted by the devastating Hurricane few months ago.

Last July, the Lord led us to the East, Baracoa of Guantánamo province. It was clear that God was with us when He revealed to one of the local pastors, 7 people would bring 4 suitcases of supplies. It happened just as the Lord planned. We have set the trip date: 27March to 3April. If you are interested to join us, please contact Lisa at [lisa2willgo@gmail.com](mailto:lisa2willgo@gmail.com)

**LIBERIA** The Lord put in the heart of Pastor Nelson Quaye, principal of WGSOML, to start a transformative biblical vocational training in the coming season. This program aims to equip christians to go out into the marketplace to impact communities and share the gospel. We believe God will use this program to raise up 60 skilled small business owners including young people & women in agriculture, carpentry, bakery, tailoring & construction.

The funding needed for the initial year (to set up & operate) is USD \$10,000. Please contact us if you are interested.

**CANADA** There is an urgency from the Lord to speak life and call the homeless to come back to the His house. The Father’s mercy triumphs over judgement. The WillGo team are training more volunteers to pray & invite the lost on the street to come home. With Vancouver possessing such a large Chinese population, God has also supplied Karon, one of our leader and a fellowship member for over 15 years, to join us as Chinese Ministry Coordinator. We have added Chinese translation to our [www.willgo.ca](http://www.willgo.ca) website & is in the process of adding a Chinese Facebook page.

We also felt led to minister to the First Nation people, especially children in Prince Rupert BC Canada this June. Prince Rupert is a port on British Columbia’s northwest coast of 13,000 people. Many churches there are running without a pastor. Yet God sent our missionary friends: a Malaysian/ Indonesian family from Hong Kong to pastor a church in its downtown! God is starting something new in that community!

Will Go is also exploring mission opportunities in Mumbai India in the fall. We appreciate all your prayers as we venture into what the Lord has prepared for us in 2026! And Yes, We Will Go! If you want to sow into His work, you can scan the QR code.

- Meal & food support benefited 700 elementary students.
- A new hand pumped well completed and an elementary school with 80 kids started in September at our multi-function church & outreach centre in Shawtown. **Shawtown used to be a town without place of worship & walkable school, but you helped change that!**

## CUBA

- 2 Mission trips to Cuba that ministered to 6 church congregations, 150 pastors and over 300 children. We visited & prayed with families within the communities of Holguin, Las Tunas & Baracoa.
