

United Way
Blackhawk Region

Fall 2023

Dear Friends:

Last year, we commemorated the 10th anniversary of United Way’s unification – the joining of two former United Ways to create the Blackhawk Region – and one big way that we celebrated this milestone was by hosting our 1st GIVE & WIN Sweepstakes. Thanks to your support, we were able to attain our goal of raising \$2 million dollars to address the complex needs of our community.

Our course-charting board of directors looked at the data and decided to launch another GIVE & WIN Sweepstakes to continue generating excitement for the community campaign and revive fundraising to pre-pandemic levels. This year’s top prize is a rugged 2023 Chevy Trailblazer, which was sponsored anonymously by a generous corporate partner.

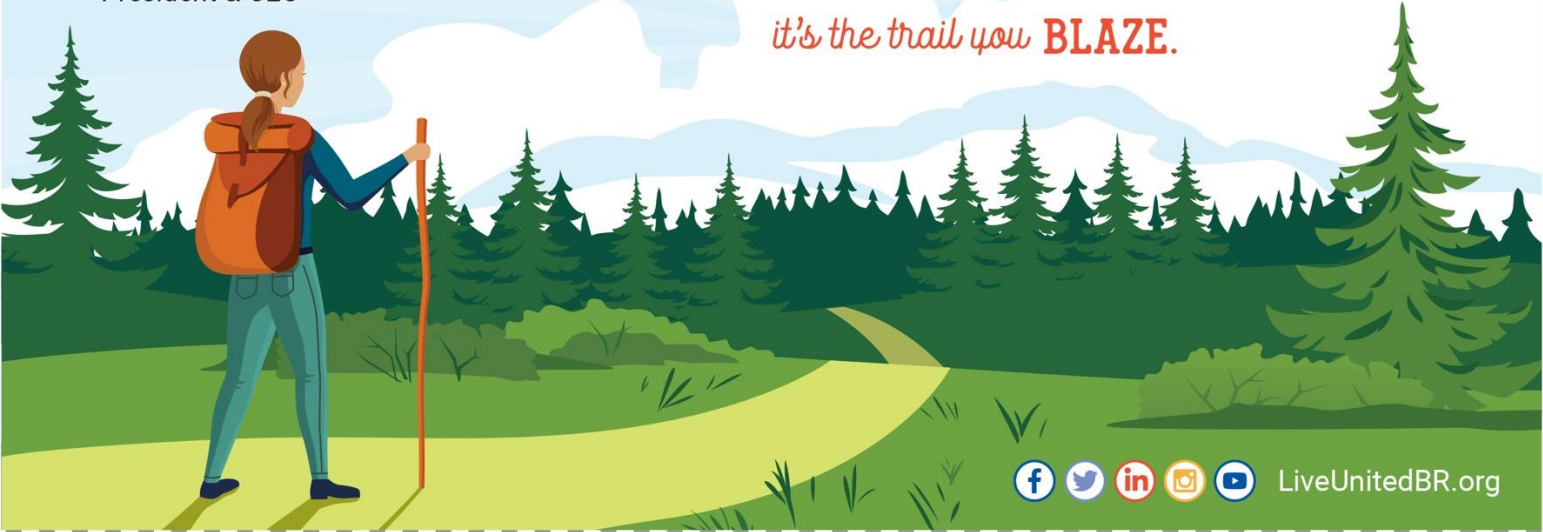

We spent some time thinking about what it means to be a trailblazer, and undoubtedly United Way fits the bill. Your local United Way, by one name or another, has served as a trailblazer in our community for 100 years. Trailblazers are thought of as pioneers ... bold adventurers with a clear purpose - willing to trek through rocky or unknown territory in search of a better tomorrow. Trailblazers are thinkers and dreamers, not content with the status quo. They’re curious and innovative, forging a path for others to follow. Though daring and brave, they are not fearless. They are mindful of the course they take, understanding that a true path is one that can be traveled by many. And an ideal path is one that is accessible for all.

Every individual who pledges a financial contribution to United Way is a trailblazer. Together, we build a path to a stronger community culminating in improved access to medical, dental, and mental health care; enriching educational opportunities; and financial stability for individuals and families in crisis. United Way’s funded nonprofit partners have their hiking boots on the ground. Their packs are bulging with expertise and resources to equip those in need with the tools necessary to successfully reach the trail’s end.

Please GIVE and help blaze a trail to a stronger, happier, and healthier community.

Thank you,

Mary Fanning-Penny

Life is not the path you choose,
