EVERY FAMILY DESERVES TO BE HEARD & UNDERSTOOD

Join us in informing the future of the child-serving systems. Your voice matters! Your experience matters!

Imagine a future in which care and services are family and youth driven, community-based, fully integrated, and culturally and linguistically competent. Bring your ideas to the table as we collaborate with the Governor's System of Care Advisory Council in the development of a long-range plan. Let's design a future in which systems support the needs and elevate the strengths of children, youth, and families!

*** In appreciation, family members who participate will receive a \$50 gift card.**
