

Valet Tagging

selling made simple!

i Important: Valet tagging is a direct arrangement between you and your tagger — JBF simply makes the connection. All fees are paid directly to your tagger; JBF does not collect any payments. As a valet consignor, you earn the same **60%** on sold items as every other JBF consignor.

How It Works

- Contact a tagger below and arrange a drop-off of your items.
- Your tagger preps, prices, and tags all your items for the sale.
- Your tagger contacts you when items are ready for pick-up.
- Pay your tagger directly at pick-up — payment is due at that time.
- You drop items at the sale and pick up any unsold items (or donate them).

Pricing Your Items

Our taggers are experienced JBF sellers who know what prices work best. Share your preferences, but trust their expertise — it pays off!

Tagger Fees

Paid directly to your tagger — always confirm before starting.

\$0.50	per item tagged
\$0.25	per item handled but not tagged (stained, broken, etc.)
\$20 / 100 items	supply fee (hangers, pins, cardstock, ink) — can vary by tagger

Signing up to Sell

Valet Sellers are treated like all other JBF Sellers and must register for each event they sell at.

Reduce & Donate Options

Reduce: Items sell at 50% off on half-price day. We strongly recommend this — it significantly boosts your sell-through rate.

Donate: Skip pick-up and donate any unsold items.

★ **Bonus:** Reduce AND donate ALL items and your consignor fee is refunded in your check!
