Join us for a wonderful afternoon of learning about the League and deciding if you’d like to “Take Your Place at the Table” and ***make things happen!***

Thank you, Local Leaguers, for attending our fascinating Book discussion, this past month led by our own **Linda Cuthbert**. We held 2 events to discuss *The Light Pirate* by Lily Brooks-Dalton. The book explored hope and survival in a changing world delving into the complexities of environmental change, resilience and power of human adaptation. Special thanks to the Novel Tea Bookshop, owner **Stephanie Gonter** and her staff in Ormond Beach. It is always a pleasure to meet there and enjoy a light meal, snack or beverage and discuss League topics.

Watch for an upcoming special League Trivia night at an exciting venue.

A big “shout out” to **Karen Rainville** for hosting a wonderful **“Meet & Greet”** at her beautiful home in Victoria Gardens. We had an group of potential members attend to learn about the League, meet our President Nancy Vaughn, ask questions and enjoy the delicious refreshments Karen served.
