If voter needs assistance to obtain a FL driver license or FL Identification card, or any of the documents required to obtain DL/ID, provide contact information for **VoteRiders**: call or text 866-432-8683 or go online to <https://voteriders.org/freehelp/>

When a person who wasn't a U.S. citizen becomes a citizen and they want to register to vote, they need to first:

- 1) Obtain a Florida DL/ID, if they do not already have one, and then register to vote.
- 2) If they already have a Florida DL/ID, they should update their citizenship status with Florida Highway Safety and Motor Vehicle *before* registering to vote.
