

Membership Outreach

Meet & Greets-Always informative...Always enjoyable...Always helps perspective members find their place in the League. We are looking for members who are willing to host a Meet & Greet at their homes. These are easy to do. You come up with the list of friends and neighbors to invite and we bring the program to you. These events are non-pressured and crucial to our growth.

Local Leaguers-We offered two book discussion events this month to discuss the book "The Light Pirate". The participants all felt that it was an excellent choice for a discussion about climate change, and adaptation. The group enjoyed the experience and requested more of these book discussions moving forward. We have plans to offer another book review late spring. Watch also for an upcoming "After Hours" event at a fun location to get together with your League sisters and brothers to play either "League Bingo" or League Trivia.

Membership Orientation-Take Your Place at the Table Membership Orientation will take place on Wednesday, April 8th at the VUE from 4:30-6:30. This event will open with a welcome, and a Synopsis of the crucial works that our action teams do. Then participants will choose 3 tables to visit for a 12-15-minute introduction from the team leader. Additional tables will contain League merchandise and handouts of interest.

Refreshments, networking and socializing will be available throughout the program. Bring your friends and neighbors. Help us grow!

After Hours Programming-Our programming is designed to meet everyone's needs. Are you working? Don't worry, we offer late afternoon and early evening programs. Do you prefer not to drive after dark? Not a problem. We are going to try out some morning programs, as well as early afternoons. We meet at Libraries, members' homes, and other

venues in alternating areas of our county. There's no excuse not to participate. Be sure to read your League emails and RSVP for events. Don't miss out on all the info...Go to www.lwvvc.org to meet the board, read the important happenings and "be in the Know" about all things League.

Meet The Membership Outreach Team of Participants: Pam Novy, Olga Hernandez, Deb Ulmer, Irene Curran, Rae Brammer Wilson, Val Bruneel, Lynn Balaban, Karen Raineville, Shaina Belsky and Bonnie Friedman.
