

TEAM REPORT

Membership Outreach

August

The LWVVC Outreach Committee met to discuss upcoming Meet and Greets and Local Leaguer programs for the upcoming months. Meet & Greets are small group (10 – 20 people) meetings for prospective members. They generally last 90 minutes or so, and are often in member homes. Participants learn about the history of the League of Women Voters and how they can join and contribute. If you would be interested in hosting one, please contact Pam Novy, Membership Outreach Chair at (386-562-6727). Pam will set up the meeting and walk you through every step of the way. It's a good way to get your friends and neighbors involved in the League in an informal, friendly setting.

Be on the lookout in future editions of *The Voter* for Local Leaguer programs. We plan on offering book talks, a program on "Start Small – Planting Native Plants in your yard", with Katie Tripp, a visit to the Mary Harrel Black Heritage Museum, and an evening Trivia event. The programs will be offered in various areas of the county and at a variety of times.

If you're interested on being on the Outreach Committee, call or text me.
