

OBSERVER CORPS REPORT

City of South Daytona

Reported by Olga Hernandez

The city has been working to finish the installation of the prehistoric playground at the Reed Canal Park. The playground is funded by utilizing a Volusia County ECHO Grant.

The city continues to work on flooding mitigations efforts using funds from the 386 Transformation grant. Recently state Senator Tom Wright presented the city \$750,000 to cover Sewer Pipe Lining and Stormwater Backflow Preventor Replacement.

This season Council member Doug Quartier on seat two, and Lisa O'Neal on seat three terms end this year. Ms. Neal had no opponent, Mr. Quartier was challenged in the recent primary by resident Victoria Maxwell, she did not prevail. At the August 11 meeting Ms. Maxwell pointed out that the council financial disclosure reports were not accurate and omitted information. The Council has not addressed the issue yet.
