HIGH SCHOOL VOTER REGISTRATION PROGRAM

Our League trained 23 volunteers across action teams to participate with the Supervisor of Elections office (SOE) to register students at 11 high schools. In **December** we went to Mainland, Pine Ridge, Deltona and University and assisted to **register 573 students**.

We are scheduled for Seabreeze (**Jan 8**), Deland (**Jan 15**), Taylor (**Jan 20**), Spruce Creek (**Jan 22**), Atlantic (**Jan 27**) and New Smyrna (**Feb 5**).

Carla Christianson led 23 members in the training program. Many of them signed up for schools including **Ann Smith, Astrid de Parry, Barbara Williams, Carolyn Carbonell, Joyce Palmer, Kathie Eichinger, Sandra Smith, Vivian Lord, Nancy Vaughn, Pam Novy, Suzie Rudolph, Sue Hofstrand, Suzanne Rubenstein, Pat Drago, Nicki Junkins, Linda Cuthbert, Jeanne Tanke, and Monique Fischer**.

Ann Smith, Nicki Junkins and Nancy Nusbaum presented information about the history and importance of voting.

Our Supervisor of Elections, Lisa Lewis, and Deputy Supervisor of Elections, Edda Rosado, both Master Florida Certified Elections Professionals, have strongly endorsed this program and partnered with the League for many years. They provide the voter registration, a presentation about the importance of voting and a mock election for fun practice.

Our strong relationship with the **Supervisor of Elections** and the **Volusia County Schools** is unique in Florida in support of this program. It is to the credit of all our League volunteers that we are trusted to be non-partisan, competent organizers, knowledgeable and dedicated to our mission.

A million thanks to all!
