Upcoming events

Stetson University's Rock for Democracy is part of a week-long celebration of civic engagement. Pam Novy, Pattie Gertenbach and Astrid de Parry will represent the LWVVC at a voter information table before the concert on September 15

Seabreeze High School has requested the LWVVC, and the SOE staff bring the voter registration to their seniors on September 15. Our team, Ann Smith, Carolyn Carbonell, Jennie Hughes, Pam Breault, Vivian Lord and Nancy Nusbaum, will assist the SOE staff to register seniors through their economics and government classes.

Getting Ready for General Election Activity - We will be recruiting volunteers for Poll Monitoring and Canvass Board Observing as we get closer to Vote by Mail submissions and early voting, October 19-31. There will be more training opportunities coming up. Announcements and registration procedures will be emailed. There is no need to train a second time if you trained during the primary.

Vote 411 and Paper Voter Guides - The vote411 website will be updated with the results from the primary so that voters can access their ballot information for the general election. In mid-September, thousands of LWVFL Voter Guides will be distributed through the Daytona News Journal, the Beacon, all the libraries and many faith and civic based organizations.

Do you have an idea for encouraging voters to take advantage of early voting days?

Early voting is a huge part of overall voter turnout and relieves pressure on election day. Let Nancy Nusbaum (nusbanh@gmail.com) know if you have an idea about encouraging people for early voting.
