YOUR SPONSORSHIP MAKES A DIFFERENCE

The Take Stock in Children program continues to strive to expand its innovative program model to low-income, at-risk students in our community. Our program is based on the principle that give extensive support, motivation and accountability, children will work hard to ensure that they graduate from high school and attain a college degree, as a result building a more educated workforce. Our primary purpose is to liberate Florida's low-income, at-risk students from inter-generational poverty and to transform them into productive adults who contribute to their communities.

For the past twenty years Take Stock in Children has remained Florida's premier scholarship and mentorship program and has served over 80,000 of low-income, at-risk children in every county in Florida. Our partnership with the Florida Prepaid Foundation grants us a dollar-for-dollar match when purchasing prepaid scholarship tuition plans, thus doubling your scholarship contribution and enabling us to provide scholarships to twice as many students.

We offer underprivileged youth, one-on-one mentorship, college readiness services, full-tuition college scholarships, post-secondary retention and hope for a better life. We thank you for "taking stock in a child today" and helping us ensure that all students no matter their background, have access to post-secondary opportunities; those opportunities are vital to their success and critical to our nation's prosperity. For more program information please visit www.TakeStock-PalmBeach.org.

Thank you for sponsoring the 2019 Strides for Education Beach Bash Dash & Breakfast! Strides for Education is a Take Stock in Children Palm Beach County sponsored event. All proceeds from this event go to purchase Florida Prepaid college tuition scholarships for low-income at-risk youth in Palm Beach County.
