

## Effective Whole Brain Leadership Communications

8:30 am – 12:00 pm      Zoom

**Session Objectives:**

- Gain an understanding of *your preferred thinking style* – and its associated strengths and blind spots, using the Whole Brain Thinking® Model and the HBDI.
- Learn how to effectively communicate with others whose thinking style is *different from your own*.
- Find ways to use Whole Brain Thinking to *deal with stress*.
- Discover how to improve your *communications as a leader* in this time of change.
- Create an *individual action plan* with specific improvement steps.
