

### **Ice Machine Cleaning Services**

1. FHLBank is looking for a refrigeration company to dismantle and thoroughly clean an ice machine and also replace the filter. Pittsburgh regions suppliers would be preferred given the general scope for this ice machine cleaning need.
2. This is **NOT** a janitorial or commercial cleaning need. A company that is experienced in cleaning refrigeration systems is what we are looking for to review.
3. Any interested refrigeration companies that are interested, please respond by Tuesday, August 25, 2020.
