How to Build a More Valuable Business: Opportunities in Capital Markets in 2021

With 2020 coming to a close, your focus turns to 2021. There are 4 million privately-held businesses set to change hands in the next two decades, yet $\frac{3}{4}$ of those owners don't have an exit plan.*

Join Morgan Stanley and Carl Marks Advisors to learn why thinking like a “seller” will help drive value in your business.
