

All, please share the below with your clients:

“Michels Corporation is seeking **MBE/WBE/DBE/SBE/VBE/SDVBE** Certified Contractors for subcontracting opportunities for the **The Pittsburgh Water And Sewer Authority “2021 Small Diameter Sewer Rehabilitation-Contract 1”**, Project No. 2020-424-106-0. We are soliciting quotes for the following items: *Flagging, Clean/CCTV, Bypass, Material Hauling/Trucking, Civil Contractors to perform open cut point repairs, sewer main installations and manhole installation/adjustments; excavation/backfill, sewer pipe/manhole installation, manhole connections to existing sewer piping, Rigid concrete bulkhead (15” to 24”) and flexible bulkhead (all sizes), Surface restoration: concrete paving base, crushed stone sub-base, reinforced concrete sidewalks and driveways, bituminous pavement milling/replacement, brick street paving and sidewalk, Erosion/Sediment control, Traffic markings, Tree/stump removal, as well as any applicable items not listed. All quotations applicable to the construction of this project will be accepted and reviewed. All MBE/WBE/DBE/SBE/VBE/SDVBE Certified Contractors and Suppliers should contact, IN WRITING, Michelle Nieves via email MNieves@Michels.us with questions. All negotiations must be completed prior to 5/10/2021. Cost evaluation will be based on the lowest responsible quote. We are an equal opportunity employer. Please fax quotes along with certification to the attention of Estimator, Raymond Patino or Michelle Nieves at 503-391-8317. The plans and specifications are available for your review at <https://michels.box.com/s/vsha02xszeoym3v4xa5i58rdb90zbok6>”*
