POWERED BY  **latinoconnection**™

Latino Connection™ can provide translation and interpretation services to meet a wide variety of messaging and communications.

Our professional team is experienced, trustworthy and reliable. Whether it's a government document, corporate report, or personal correspondence, our highly skilled team of certified translators and interpreters work with you to ensure that your message is clearly conveyed.

- Business-to-Business Support
- Certified in Education and Healthcare Translations and Interpretations
- Personal Document Translations (birth certificates, tax documents, marriage licenses)

## OUR TEAM

- Bilingual Community Health Workers
- Certified Translations & Interpretation Team
- Project Managers
- Graphic Designers

Latino Connection™ remains committed to providing vulnerable communities with resources to keep themselves and their families healthy.

We have stayed up to date with CDC and Pennsylvania Department of Labor and Industry online education webinars around status and preventative measures for COVID-19. We can implement several methods and provide effective messaging on behalf of your company to keep your customers informed.

# Ways we can help you reach your members and clients!

## **PRE-RECORDED WEBINARS**

You can trust our certified translation and interpretation team to deliver your messaging as accurately as possible. We are available to record and discuss your resources and educate on how to take access and take advantage of these resources.

## **BILINGUAL VIDEO MESSAGING**

We can provide and recommend effective ways in which you can divulge information through online platforms and online tools to effectively reach your stakeholders.

## **NEWSLETTERS, ADS AND PRESENTATIONS**

Our graphic designer can help bring your messaging to life, with imagery, assistive icons and text in reader-friendly formatting to get your message and information across digitally or in print. We can format your resources in an easy-to-read style, where information can be discerned well.
