

SUPPORTIVE SERVICES CENTER

A Shared Initiative between Cheyney University of Pennsylvania
and The Pennsylvania Department of Transportation

We are so excited to finally share the Supportive Services Center YouTube Channel with you!

The purpose of the SSC YouTube Channel is to share with Pennsylvania and the rest of the world the Qualified, Capable and 'Ready-to-Work" DBE, SBE and DB firms that make up the PennDOT universe.

If you are a DBE, SBE or DB firm and would like create a firm commercial to be featured on the SSC YouTube Channel? Contact Mark Corbin at mcorbin@cheyney.edu

Keep watching as the SSC Team will introduce you to a new DBE or DB firm each month via the SSC YouTube Channel.

"The best way to know the future is to create it."
