

MONTGOMERY COUNTY JUSTICE CENTER PROJECT CONTRACTOR FORUM EVENT

VIRTUAL CONTRACTOR FORUM EVENT

Date: May 7, 2021
Time: 1:00 pm
Location: online (webex) event
REGISTRATION: <http://bit.ly/MCJCoutreach>

The Montgomery County Justice Center Project ties three complex projects into one, constructing a modern County justice center that more than doubles the size of the existing County courthouse, completely renovates the current courthouse facility, and re-invents Hancock Square park as an accessible, active public park. Phased over 5 years, the project will comprise multiple construction packages.

This event is intended to bring together prospective contractors and suppliers to understand project schedule, County requirements, general project packaging and community participation requirements.

The County anticipates beginning the second of three phases of construction at the beginning of 2022, with completion of the third and final phase in 2026.
