If there is reason to believe that collusion exists among Proposers, none of the participants in such collusion will be considered.
- 5.1.2 No Proposal shall be received from, or contract awarded to, any PGW or City employee or official who may have any direct or indirect interest in such submitted Proposal or contract.

5.2 Qualification of Proposers

- 5.2.1 PGW will carefully consider the Proposer's qualifications, proposed financial consideration, experience, financial responsibility proposed scope of services, and timeline in evaluating each Proposal. In PGW's evaluation, the Proposal as a whole may bear more weight than the individual parts of the Proposal.
- 5.2.2 Following PGW's review of the submitted proposals, PGW may select one or more Proposers with which to negotiate. PGW shall notify Proposer(s) of selection for negotiations. The date that the Proposer's receipt of the notification is confirmed by PGW, is referred to herein as the "Notification Date."

- 5.3.1 This RFP and the process it describes are proprietary to PGW and are for the sole and exclusive benefit of PGW. No other party, including any respondent to this RFP or future Proposer to any RFP which may be issued by PGW, is intended to be granted any rights hereunder.
- 5.3.2 PGW reserves the right to reject as informal or non-responsive any Proposal that, in PGW's sole judgment, is incomplete, is not in conformity with applicable law, is not responsive to this RFP, or contains ambiguities or services not called for by this RFP.

**Philadelphia Gas Works – Request For Proposals
Skype/Genesys Support Maintenance**

- 5.3.3 Without limiting the generality of any other provision of this RFP, PGW reserves the right, at any time prior to execution of an agreement with the successful Proposer, to exercise all or any of the following rights and options, which rights and options PGW may exercise to the extent that PGW, in its sole discretion, deems to be in its best interests:
- 5.3.3.1 To request additional or supplemental information (including but not limited to information inadvertently omitted by any Proposer in response to this RFP) from any or all Proposers;
 - 5.3.3.2 To accept or reject, at any time prior to its execution of an agreement, any or all Proposals or any part thereof submitted in connection with this RFP;
 - 5.3.3.3 To accept or reject any or all of the items in any Proposal and award the contract in whole or in part if it is deemed in PGW's best interest to do so;
 - 5.3.3.4 To waive any informality, defect, non-responsiveness, or derivation from this RFP that is not, in PGW's sole judgment, material to the Proposal;

 - 5.3.3.6 To reject without evaluation any Proposal that is incomplete, unclear, conditional, or which contains irregularities of any kind;
 - 5.3.3.7 To reject any Proposal that in the sole discretion of PGW is not in the best interest of PGW;
 - 5.3.3.8 To re-issue this RFP without change or modification;
 - 5.3.3.9 To issue a subsequent RFP for this project with terms and conditions that are substantially different from the terms and conditions set forth in this RFP;

- 5.3.3.21 To not enter into an agreement pursuant to this RFP.
- 5.3.4 PGW intends to enter into contract negotiations with the selected Proposer. However, PGW reserves the right to terminate any negotiations at any time or conduct simultaneous, competitive negotiations with multiple Proposers. PGW reserves the right to negotiate acceptable terms in an otherwise unacceptable Proposal. Such negotiations may result in changes to material terms of this RFP; in such event, PGW shall not be obligated to inform other Proposers of the changes, or permit them to revise their Proposals accordingly, unless PGW, in its sole discretion, determines that doing so and permitting such is in PGW's best interest. Should negotiations not prove satisfactory with the recommended Proposer(s), PGW reserves the right to discontinue negotiations with the recommended Proposer(s) and additional firms may be asked to enter into negotiations or PGW may solicit new Proposals or issue a new Request for Proposals.

5.4 Award

- 5.4.1 PGW intends to award the agreement to the Proposer whose Proposal best satisfies the scope of services described in Section 2 and is otherwise in the best interest of PGW. The determination of award shall be made by PGW, in its sole discretion, which decision shall be final. PGW may employ such analysis techniques and professional consultants for Proposal evaluation as it deems necessary. PGW may
