

THE DAVID L. LAWRENCE CONVENTION CENTER: 4TH FLOOR GREEN ROOF PHASE 2

The David L. Lawrence Convention Center is planning a project to remove approximately 50,000 sf of concrete-covered roof space on the 4th floor. When complete the area will be transformed into a fully landscaped outdoor terrace with gathering spaces, gardens, outdoor seating, and shade structures overlooking dramatic views of Pittsburgh's North Shore.

MBE & WBE companies are encouraged to contact prime bidders to identify opportunities for partnerships, 2nd tier subcontract opportunities, and opportunities to supply labor and materials. A current list of confirmed prime bidders will be posted daily, throughout the bid period at this link:
