

As a team, we spent the past week figuring out how we can be of the most value to our community in such a critical state. At **The JPI Group**, we've agreed to focus on doing our best to keep EVERYONE employed in our eco-system which includes our employees, contractors, friends, family, and community! Maintaining health is our first priority & economic stability is our second. If you know of any organizations looking to hire in any capacity, reach out to our team and we will see if we can help or refer you to another Small Business.
