Part 1 – How HR Can Help Make You More Profit

April 13, 2021 | Noon - 1:00 pm | Virtual Webinar

Why is there a stigma around HR? In today's world HR is more important than ever. Learn how having a great culture can help solve some of today's biggest challenges. We'll discuss the challenges with the hybrid working model and how to deal with the intricacies around COVID and your employees. Kimberly will help us learn how HR is more than just compliance and regulation. If partnered properly with your HR team, it can save or even make you money!
