- The directory has more than 800 political scientists and is consulted by your colleagues frequently. Help us keep the **directory up to date and help your colleagues to connect with you faster!**
- **In addition, to better serve our members, the **CPSA Board of Directors** analyses aggregated data on membership by region, gender, primary academic status, primary employment status outside the academy, and field of expertise at its fall meetings.**
- When you have changes in your career life, please take five minutes to review and edit your profile!
