### **Call for Research Proposals: Regulation in the Public Interest**

The Canadian Network of Agencies for Regulation (CNAR) is currently accepting research proposals on the topic of regulation in the public interest.

In addition to creating an insightful paper available to the Canadian professional regulatory community, the successful research team will have the opportunity to present its findings at CNAR's Annual National Conference in 2024.

The submission deadline is **May 1, 2023**.

Please see the Call for Research Proposals announcement on CNAR's website [\*\*here\*\*](#) for full details and to access the proposal submission form.
