As CPSA President, I invite all conference delegates to join me for this year's President's Dinner, which will be held on campus, at the Convention Centre and Lobby located in the Second Student Centre, on Wednesday, May 31st at 6 pm.

Is this your first time at the CPSA President's Dinner? Are you attending alone? Do you want to meet new colleagues?

Have dinner with our [2023 Programme Committee Chair, professor Allison McCulloch](#), and members of the Board who will host special tables! Come and join them! Details to come. Stay tuned!

For faculty supervisors in a position to do so, I encourage them to bring their students to the dinner as their guests. This is a great opportunity to meet other political scientists! Spouses, partners, friends and other guests of delegates are also invited.

At the President's Dinner, we also announce the winners of our prizes and honour their achievements. We hope all members of the prize juries and shortlisted colleagues will be present.
