

FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR

TRAFFIC IMPACT—DETOUR NOTICE

SR 822/Sheridan Street Bridge Rehabilitation Project

SR 822/Sheridan Street Bridge Over the Intracoastal Waterway

Broward County, Florida

Financial Project ID: 441462-1-52-01

Full Bridge Closure along SR 822/Sheridan Street over the Intracoastal Waterway to Begin Monday, June 13

The SR 822/Sheridan Street Bridge over the Intracoastal Waterway will be fully closed for approximately 90 days beginning Monday, June 13, weather and unforeseen conditions permitting. Eastbound traffic will be detoured via US-1, Hollywood Boulevard, or Dania Beach Boulevard. Westbound traffic will be detoured via SR A1A, Hollywood Boulevard, or Dania Beach Boulevard. Access to local traffic and the Anne Kolb Nature Center will be maintained at all times via eastbound SR 822/Sheridan Street before the bridge. Project updates will be provided as needed.

Project improvements include installing bicycle-friendly/anti-slip walking plates along the bridge's moveable spans, removing existing curb and adding a 32-inch traffic barrier between the sidewalk and roadway, removing and replacing the outer pedestrian railing, adding new pedestrian gates in each direction, renovating the existing tender house, upgrading electrical and mechanical components, and access platforms on the bridge.
