

Our COVID-19 Measures

Wednesday Nights Together Covid-19 Safety Measures

- All leaders have agreed to wear masks.
- Children above the age of 5 are asked to wear masks, unless their family feels it is a barrier to their ability to worship God.
- All children's classrooms will be wiped down and sprayed with antibacterial solution.
- Hand sanitizer will be used before and after crafts or games, when children are sharing supplies or toys.
- No high contact games or activities will take place.
- The children will not be singing during this session.
- If your family chooses to stay for dinner, please note that food is served individually from behind a plastic partition and all tables are socially distanced, and have been wiped down with antibacterial solution.
