

NOVEMBER 2024 QUARTERLY REPORT

Friends and Colleagues in Ministry,

What a joy it is to share this Advent season with you all! This last month I have had the gift of visiting our Siblings in Yukon Presbytery, stretching all the way to the northern slope where we have 8 Presbyterian Churches accessible only by sea plane, all without Pastors and in need of resources. If you have skilled workers who would like to volunteer with some life changing short term projects, please reach out to Executive Presbyter, Elizabeth Schultz at ep@yukonpres.org

On the southern end of California, San Diego Presbytery is doing some amazing work on the border, including partnering with a "Border Church," with communion served between the rails of the wall that divides our nation.

I spent last week with Mission leaders serving rebuilding homes and infrastructure in the aftermath of the deadly Paradise Campfire at our Presbyterian Disaster Assistance host site at Trinity Presbyterian Church in Oroville. There is still major rebuilding work to be done. If your church is interested in a very meaningful service trip, contact Elder Mike Ratto at the Trinity Church at M-ratto@sbcglobal.net. Thank you to Nancy Disher, Mission organizer for North Central California, who organized the leadership trip, Heidi Worthing-Gambell and the teams from Pacific Presbytery and Cynthia Cochran-Carney and the team from San Rafael Presbyterian Church who have served rebuilding Paradise!

Congratulations to North Central California Presbytery as they have called the Rev. Karen Sapio as their new Executive Presbyter. Karen was installed on Sunday with the Rev. Wendy Tajima, Executive Presbyter of San Gabriel Presbytery, giving Karen her charge.

And congratulations to San Fernando Presbytery as they support over 55 New Worshipping Communities, baptizing and bringing new Christians into the mission, justice and ministry of Jesus.

It is the pleasure of the Ministry Engagement and Support Team of our PCUSA to bring you this quarter's many helpful and informative resources listed below.

Blessings, Joy, Courage and Peace,

Jeanie

From Special Offerings

Support the Christmas Joy Offering

During the season of Advent, we remember and reflect God's perfect gift, Jesus Christ. This child, the Word made flesh, became one of us, so, through the Christmas Joy Offering, we honor this amazing gift by supporting leaders among us — past, present and future. The Christmas Joy Offering supports retired ministers and church workers and their families through the [Assistance Program](#) of the Board of Pensions and students in [Presbyterian-related schools and colleges equipping Communities of Color](#) as they pursue education and prepare to use their gifts in service to the church and world. Resources for interpretation of the Offering can be found [here](#), and a promotional video can be found [here](#).

Bring your congregation *together* in purpose-driven giving

An Alternative Giving Market is a powerful way to engage your congregation in purpose-driven giving. This type of event allows a church community to support vital projects like clean water access, disaster relief and youth education. We can provide all the resources you need to create a meaningful experience that unites your community in faith and action.

Reach out to presbyteriangifts@pcusa.org so we can send your resources today — we're standing by.

Giving it our *all* this Giving Tuesday

Giving Tuesday is a global movement that takes place the Tuesday after Thanksgiving — this year on **Dec. 3** — a day when people across the world unite to make a difference. Once again, the Presbyterian Giving Catalog invites your congregation to join us and participate in Giving Tuesday so that we can amplify our impact through collective action.

Through the Presbyterian Giving Catalog, each item — from sustainable farming inputs to providing communities with clean water — brings hope to communities in need. **This Giving Tuesday, lead your church in communal acts of generosity that change lives worldwide.**

Reach out to presbyteriangifts@pcusa.org to learn more — we're standing by.

Links of Love: Bringing joy to the world, one link at a time

Each item in the Giving Catalog counts as a single link in a colorful, ever-growing paper chain. So far, there have been more than 60,000 **Links of Love** added, forming a paper chain of hope and compassion that reaches all over the world. This holiday season, everyone, from congregational members to individual supporters nationwide, can join together in an expression of care and generosity.

Our Links of Love campaign will run through the end of the year as we try to reach 70,000 links. Help us encourage participation — we will be sending email messages and promoting this campaign on our social media channels, and we ask for your support in getting the word out among your community.

Help us send *love* across the oceans and into the hearts of those in need. [Order](#) and share the Presbyterian Giving Catalog with your church community today.

NEW in 2025 from Ministry Engagement and Support: Regional forums on the 'Future of Faith & Finance'!

The PC(USA)'s office of Ministry Engagement and Support (MES) invites church leaders of all types — anyone who is thinking about the future of the church — for an informative series that MES will be rolling out regionally in 2025. In partnership with the Presbytery of Scioto Valley, the first forum is scheduled to take place from 10 a.m. to 3 p.m. on Saturday, Feb. 22, 2025, at Broad Street Presbyterian Church in Columbus, Ohio. A complimentary lunch and refreshments are included. Save the date and watch for details and registration information. Additional locations will be announced as they are confirmed. To learn more, email John Wilkinson, director of Ministry Engagement and Support, at john.wilkinson@pcusa.org, or Lauren Rogers, Ministry Engagement Advisor, at lauren.rogers@pcusa.org.
